Partnership Packages

# Decom Week 2025: Towards a Sustainable Future

**Building a safe, skilled, and sustainable decommissioning industry through knowledge, innovation, and collaboration**

Our agenda will include more than two days of conference, a dedicated session on well abandonment, indoor and outdoor exhibition space and the Decom Mission Awards.

And as always, networking will play a key role in the week's agenda, as we bring the energy sector's decom community together. In true Decom Mission style we will provide a real mix of networking opportunities, including golf, cycling, evening social events and the Decom Mission Awards dinner.

### **PARTNERSHIPS**

Make your mark on the decommissioning industry, through a Decom Week partnership. These packages offer a wide range of promotional benefits and give you the opportunity to play your part in developing the event.

If you would like to reserve a package or would like to discuss how we can tailor a package to suit your business, please get in touch with our dedicated events team at: [events@decommission.net](mailto:events@decommission.net)

Please note: The prices listed are the prices exclusive to Decom Mission members. Alternative pricing is available for non-members on request.

# Partnership Packages
